Please read our policy carefully.

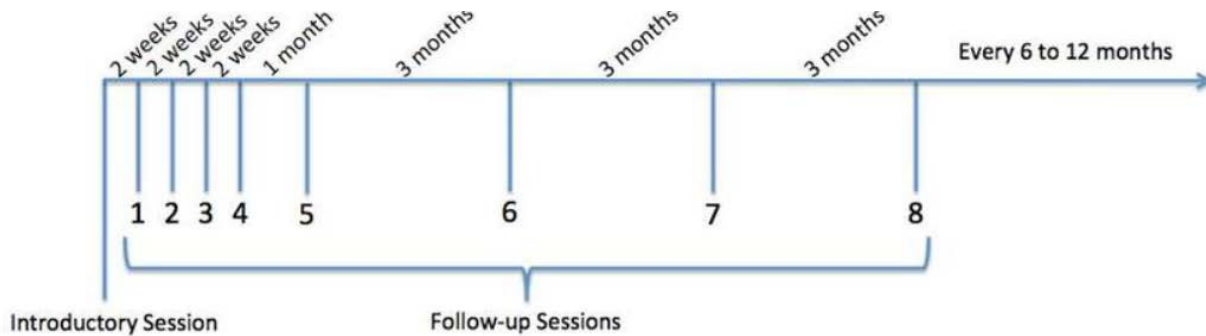

- 1- Maintaining the follow-up schedule (shown below) and being compliant with it is very important for your successful use of the system.
- 2- We encourage the couple to attend the Follow-Up Sessions together.
- 3- **It is very important to begin observations and charting as soon as you receive your FertilityCare kit.**
- 4- Please allow 60-90 minutes for the first Follow-Up session. The subsequent ones will be shorter.
- 5- **Please read the clients' assignments sheet carefully after each session.**
- 6- Please confirm your follow up session by sending an email one day prior to the scheduled session and include in it the following attached files:
 - **A colored scanned copy or a clear picture of your chart:**
 - ✓ for the entire inside of the chart including its four corners
 - ✓ for the back of the chart
 - **The completed General Intake Form prior to the first session.**
 - **Any document included in the FertilityCare Kit or sent by email.**
- 7- Payment is due at the time of the session unless if you chose the package deal option and paid it in advance.
- 8- The package deal for the sessions is non-transferable and may only be used by the person/couple specified here and money will not be reimbursed upon discontinuation of charting.
- 9- **Please have a red pen available to make corrections during the session.**
- 10- **Before the end of the session, you need to send a picture of corrected chart.**
- 11- At the time of the session, please make sure you are in private room with no background noise (if needed please use earphones).
- 12- **Please email (do not send a what's App text message) me your questions related to your charting and include a picture of your chart in the email.**
- 13- Online sessions will be conducted via zoom. Please download the app and make every effort to keep your camera on during the entire session. Below you will find the zoom meeting link, ID and Passcode. We will use it for every follow up session.
